# SEEK YOUR OWN ADVENTURE

Coromal is your gateway to exploring the breathtaking landscapes of Australia. Since 1977, we've been at the heart of countless Australian adventures and cherished family moments. Today, the Seeker Series honours tradition and heritage to ensure timeless craftsmanship and enduring excellence. Meticulously crafted right here in Australia, our caravans are available in a variety of layouts and packed with features that cater to solo travellers, couples, and families alike. Experience the great outdoors like never before and embrace the spirit of the open road with Coromal. Discover our range and kickstart your next unforgettable adventure.

## THE SEEKER SERIES

Journey through Australia's stunning landscapes with the Seeker Series. Whether you're a solo traveller, a couple, or a family, we invite you to experience the thrill of adventure, the tranquillity of nature, and the joy of creating lasting memories. Make every trip an opportunity to start new traditions and embark on real adventures that you'll cherish for years to come.

## Design & Build

Coromal caravans are proudly manufactured by the renowned Walkinshaw Group, boasting a rich heritage and extensive experience in the automotive industry. Situated in Clayton, Victoria, Walkinshaw's facility employs over 1,000 skilled technicians dedicated to crafting quality caravans renowned for their value and authenticity. This partnership signifies a strong alliance within the RV industry, aligning our shared values to deliver excellence to Australian adventurers.

---

### Chassis

Our Caravans are engineered for adventure with unrivalled capability on and off the road, thanks to our innovative Walkinshaw hot dipped galvanised chassis. Crafted by Australia's leading performance experts, our chassis offer enhanced strength, stability, and control, empowering you to explore remote destinations with confidence.

---

### Framing & Componentry

We aim to set an industry standard for structural framing and CNC fabricated componentry in each and every caravan. Our traditional Meranti framing is sourced from sustainably managed forests and offers enhanced flexibility and warp-resistance. With a commitment to excellence, our caravans are built with durability and reliability that withstand the test of time.

---

### Diverse Layout Options

Discover the versatility of Coromal Caravans with our extensive range of layouts tailored to meet the diverse needs of families, couples, seasoned travellers, and beginners. Each caravan is meticulously designed to optimise space and functionality, ensuring your comfort and convenience on the road.

# Soul SEEKER
