The latest **Tvan Inspire** combines lightweight design with exceptional value, offering a perfect balance for off-road adventurers.

Key features include a Premium Kitchen with a 3-burner cooktop, and a front storage boot that fits a large fridge. The 200W rooftop solar panel and 125Ah lithium battery provide reliable off-grid power, while 108L of water capacity and 2 x 4kg gas bottles complete the package for self-sufficiency.

The **Tvan Inspire** is an excellent choice for an off-road camper trailer, offering the perfect balance of affordability, durability, and capability.
